

Colotech+™ Uncoated

Premium, Highly Engineered Paper

Colotech+™ is a premium grade paper. Expect spectacular results and excellent colour reproduction when you print on the superior whiteness of this paper.

Colotech+™ demonstrates that you can improve on market leading performance and quality. Offering enhanced whiteness and the most comprehensive product range; Colotech+™ has raised the bar, as the benchmark paper for Digital Colour Printing and Copying. Proving you can always improve on the best.

Colotech+™ is calendared to give a super smooth texture, which enhances colour brilliance and contrast to produce a “pin-sharp” image, as well as offering a market leading level of whiteness and brightness.

Made by internationally Xerox accredited mills, the smooth surface, high whiteness and formation control of Colotech+™ ensure excellent results with both colour and black and white work. Colotech+™ also qualifies for ISO9706 (Permanent Paper) and is acid free, allowing archival storage of your documents for several hundred years.

PEFC

Colotech+™ is made with the Programme for the Endorsement of Forest Certification (PEFC) certified pulp from mixed sources. This means the pulp used is from well-managed forests and other controlled sources. The mills are accredited with ISO14001 (Environmental Protection) and ISO9002 (Quality Control) ensuring an environmentally friendly, quality paper.

100 % Quality Runnability Guarantee

Colotech+™ is 100 % guaranteed in all Fuji Xerox Office and Production printers. This means that if you are not 100 % satisfied we will exchange it for you.

Product Specification

	Opacity	Moisture Content	CIE Whiteness
90gsm	93 %	4.4 %	170
100gsm	95 %	4.4 %	170
120gsm	95 %	4.4 %	170
160gsm	96 %	4.9 %	170
200gsm	98 %	5.0 %	170
220gsm	98 %	5.0 %	170
250gsm	98 %	5.0 %	170
280gsm	98 %	5.0 %	170
300gsm	98 %	4.5 %	170
350gsm	99 %	4.5 %	170
